

# WEEKLY WORDS FROM LCA

Issue 14 – December 7, 2011

“Whatever happens, conduct yourselves in a manner worthy of the gospel of Christ.” Philippians 1:27

## Enrollment Begins in January

On January 3, we will begin accepting applications for **kindergartners and for new** students in preschool through grade eight for the 2012-13 school year. This includes new students from current families.

Because the kindergarten classes have filled up rapidly in the past, the date of application can be very important. We will be offering a full-day kindergarten and a half-day kindergarten program. Please remember to choose your preference when making application. The half-day program is 8:30 to 11:30 a.m. or 12:15 p.m. to 3:15 p.m., and the full-day program is 8:30 a.m. to 3:15 p.m. Eligible three-day and four-day preschoolers should receive their kindergarten information in the mail this week.

## Special Christmas Chapel – A Christmas Carol

On Tuesday, December 13, at 1:45, Maranatha Productions will be returning to do a special Christmas Chapel for us entitled A Christmas Carol. This is a dramatization of the world’s most miserable miser ever, Ebenezer Scrooge, who humbugs his way through another Christmas only to experience an incredible change late Christmas Eve in Charles Dickens’ immortal classic.

Maranatha Productions is an evangelical production company utilizing media tools since 1969 to communicate biblical truths. **An offering will be taken with a suggested donation of \$1.00 per student.** Parents are invited to attend.

## Mustang Messages

Home basketball games begin at 3:30 p.m. and are played in our gym. The boys’ game is played first with the girls’ game immediately after. Directions to the games can be found on our website. December 13 – LCA at Good Shepherd and December 15 – Quakertown Christian at LCA

## Lost and Found

Please have your child check the lost and found table before Christmas break.

## Middle School Service Project

Mr. King Castle, our computer tech, went on a missions trip to Thailand this fall. He visited Grace International School. This school provides a safe and secure environment for missionary children whose parents are serving the Lord in dangerous locations. The school is being forced to move and bought swampy land which needs 77,000 truckloads of dirt so they can build. Each truckload of dirt is \$7.

Mr. Castle challenged our middle school students to bring their excess change to help out this school. A competition developed between the different middle school classrooms. Classes would sabotage other classrooms by bringing in dollar bills and putting them in another classroom’s jar. (Dollar bills were accepted but counted against the classroom.) The class with the most change won a pizza party. Congratulations to sixth grade for winning the pizza party. Thanks to all who contributed. All total we collected \$657.00...that’s almost 100 truckloads!! Praise the Lord!

## Prayer & Praise

–Pray that the students would concentrate on their studies during the time before Christmas.

–Praise God for the \$657.00 collected for the middle school “dirt” service project.
